Fifth Grade Visits Strawberry Farm

Fifth graders enjoyed a field trip to Willard Farms. They picked strawberries and took a tour of the farm on a tractor-pulled trolley. Students also played on the huge dirt mountain and jumped on a giant tarp filled with air. Each student made a bead necklace, ate a hot dog lunch and enjoyed delicious home-made strawberry ice cream.

The class of 2010 made sure Miss Donna would never forget them. As part of their senior prank the students FILLED her office with newspaper. It took quite awhile for Miss Donna to dig her way to her desk. Students also pulled pranks on several teachers and a few classroom doors went missing for an hour or so!

Senior Prank Day

History Fair

Mrs. Louisa Kennedy's history classes recently held a History Fair. Students researched historical figures and presented their projects to the class. Students enjoyed dressing in costumes that related to their famous historical figure— from General Robert E. Lee to Amelia Earhart and everyone in between.

Third Grade Wins Contest

The third graders pose in their new t-shirts. The students won the shirts by taking part in a recycling project sponsored by Williamsburg Hometown Chamber. The students collected cans for several months.
