New Family Tailgate

New WA Families were treated to a tailgate before the Stallions home game against Carolina Academy on August 27. The PTO, Booster Club, Governing Board and Development Foundation hosted the event. Parents and students enjoyed meeting each other and visiting with teachers.

Straight From the Horse's Mouth...

WA Family:

I would like to take the opportunity to welcome everyone to the 2010 – 2011 school year. We are already off to a banner year as we have experienced a 9.4% growth in student enrollment and the learning culture that has been created is amazing! Our faculty and students are beginning to settle into their routines and are doing very well.

The administration and faculty are in the process of reviewing and updating all facets of Williamsburg Academy. For instance, we are updating curriculum, reviewing standardized tests scores, evaluating daily procedures, and updating areas of the facility in an attempt to prepare for our SCISA Advanced Accreditation visit in the spring of 2011. We anticipate our visit to be between February and April of 2011.

Following in the footsteps of the Class of 2010, our senior projections for the Class of 2011 are very bright. Our college planning office continues to be very successful and productive as we have already experienced our first of many college acceptances. We have one senior who has been accepted to the Citadel! Go Bulldogs! J We look for the Class of 2011 to reiterate the 100% college acceptance rate established by the Class of 2010!

Additionally, Williamsburg Academy continues to be very blessed. I would like to thank the entire WA family for an exceptional 2009 – 2010 year and most importantly, thank you for allowing Williamsburg Academy the opportunity to educate your child.

Please do not hesitate to contact my office with any questions or concerns and I hope to see everyone soon!

Take care & Go Stallions!

M. Evan Powell

Cheerleaders Hold First Pep Rally of the Season

The Stallions prepare for the pep rally.

WA students enjoyed the first pep rally of the 2010-2011 school year on Friday, Aug. 20. The cheerleaders put together a great show that kept the students on their feet and the varsity football team busy! The Stallions have a 2-0 record with a game coming up in Savannah on September 3. Check out the WA website for game schedules for all WA sports.

Shane Mouzon Memorial Race Draws Big Crowd

The First Annual Shane Mouzon Memorial Race was held at Sunshine Kartway in St. Matthews on August 21, 2010. Student athletes attended the event to show their support as they honored and remembered Shane Mouzon in this special way. Proceeds from the race were donated to the WA Booster Club in memory of Shane.

"Click Here for Grades"

Parents– Please note that a link has been added to the New WA website that will make accessing your child's grades a simple process. Just go to www.williamsburgacademy.com and click on the link in the upper right section of the web page. You will also find a calendar with upcoming events and other helpful links such as Homework Hero and Discus. Under the faculty page you will find additional links with teachers' email addresses and Homework Hero page links. Make sure to set our WA webpage as your home page!

First Honor Assembly Held

An Honor Assembly was held on Thursday, August 26 for 6th—12th grade. Mr. Powell emphasized the importance of integrity, honesty and honor and Mrs. Webster discussed issues regarding “bullying” and student behavior. After the assembly each student signed the Honor Code Pledge. These pledges are now proudly displayed on the school’s bulletin board by the Guidance Office.

Honor Code
*No student of
Williamsburg Academy
shall lie, cheat, steal or
tolerate those who do.*

WA Students Stay Busy Over the Summer

Sunday, June 27, 2010, athletes from around the state were honored at the High School Sports Report All State Spring Banquet at Seawell's in Columbia, SC. Stuart Lake, the head baseball coach at Charleston Southern University, addressed the honorees and guests. The message he wanted the athletes to hear was "Athletics will open many doors for you. Without an education, your options become severely limited." Four Williamsburg Academy athletes were named HSSR All State Players: Drew Kellahan-Baseball, Anna Taylor-Softball, Stacey Tomlinson-Softball, and Carsten Walker-Softball. While all four athletes were named All State Players, due to other commitments, only two were able to attend the banquet. Pictured: Anna Taylor and Carsten Walker.

William Cooper was selected by his teachers to attend the HOBY (Hugh O'Brian Youth) Leadership Conference held at Erskine College June 25-27. HOBY ambassadors are chosen based on leadership potential and service to their school and community. Incorporating this year's theme of "Pass the Torch," ambassadors wrote an Olympic themed children's book that will be published. Mariel Webster, a 2010 WA graduate and 2008 HOBY ambassador, returned this year as a Junior Facilitator. She is a freshman at Columbia College this fall.

State Champs

Congratulations to Madison Lamb and Kendall McKenzie! These WA girls were members of the South Carolina Dixie Darlings— Softball State Champions. The girls and their team represented South Carolina at the Dixie Youth World Series in Texas this summer. South Carolina finished 9th in the nation. We are so proud of our WA girls!
