### Straight From the Horse's Mouth...

#### *Learning Beyond the Walls of Williamsburg Academy*

In an effort to reiterate experiential learning at Williamsburg Academy, I am very excited about the educational opportunities that are available to our middle and high school students. During these experiences our students are able to successfully develop a bond with their peers that will positively grow and develop as they return to our campus.

The opportunities available to our 6<sup>th</sup> - 10<sup>th</sup> grade students for the 2010 - 2011 school year are as follows:

*8<sup>th</sup> Grade Florida Field Trip*

*(Complete)*

*6<sup>th</sup> & 7<sup>th</sup> Grade Earthshine Field Trip*  
*(Final installments due 12/1/10)*

*Wednesday, December 8 - 10, 2010 Lake Toxaway, NC*

*9<sup>th</sup> & 10<sup>th</sup> New York Field Trip*

*March 17 - 20, 2011 (Deadline for registration: 12/10/10)*

Thank you again for allowing Williamsburg Academy the opportunity to educate your child and for allowing us to extend the learning process beyond the walls of our campus!

## 8th Graders Take Florida By Storm

The eighth grade field trip to Florida, coordinated and lead by Mrs. Laura Jones, was a huge success. Students visited the historic city of St. Augustine. They toured the lighthouse, the fort, and enjoyed a ghost tour of the city. Students also spent an interesting day at Kennedy Space Center. The final leg of the journey was spent at Marine Land where student were able to feed and play with the dolphins. Thanks to Miss Laura and all the chaperones for a great trip.
