3rd grade – Holden Erwin & Emma Harper

4th grade – Sam Holliday & Trevor Moore

5th grade – Mara Feagin & Qing Zheng

WA's 2012 Spring Book Fair Luau was a

huge success! Thank you to the many

volunteers, students, parents,

grandparents, and friends who helped

make our Book Fair and our year so successful!!!

How Does Your Garden Grow?

By: Kathy McCullough

Thanks to some generous forward thinking sponsors, Williamsburg Academy students have a new garden. The vegetable and flower garden was constructed by the High School students in September and planted by the Elementary students just last week, but the project planning began months ago. Williamsburg Soil and Water Conservation donated funds to build six raised beds and to purchase the garden based curriculum materials. Jay Steele supplied the soil for the beds. The Hometown Chamber donated seeds, plants, garden tools, and rain barrels. Mr. Darren Tisdale donated bedding plants. Mrs. Cheryl Baker, Master Gardener, donated many hours of instruction to individual classes on planting and maintaining a garden. The purposes of the garden project at W.A. are: to introduce and foster care of our environment, especially our soil and water, to encourage exercise, and to learn healthy eating habits by growing good tasty vegetables. Williamsburg Academy students and faculty have a beautiful and nourishing new garden that will serve the school educationally and as a source of beauty for years to come.

First Grade Here We Come!

The Kindergarten Graduation Program took place on May 22nd. Both 4K and 5K students took part in the program and entertained guests with poems and songs that they had learned throughout the year. Certificates and "Diplomas" were handed out and the 5K students are ready to jump head first into first grade!

The following students had Perfect Attendance and were inadvertently omitted from the Kindergarten Program: Congratulations to Baylee Ball and Ray Wadford

Varsity Baseball Team Named SCISA AA State Runners-Up

Our WA Family would like to thank the Varsity Baseball Team for giving Stallion Fans something to cheer about. We are so proud of our boys!

Congratulations
Stallions!!

We  you!

Fourth Grade Research Papers Come to Life

Fourth grade students had a wonderful time with their end of the year research projects. Students dressed up as the people they researched and made presentations to their classmates.

Is this Kendall McKenzie or Elvis?

Dhruvi shows off the Lego model she made of the Taj Mahal.

Science Lab Fun

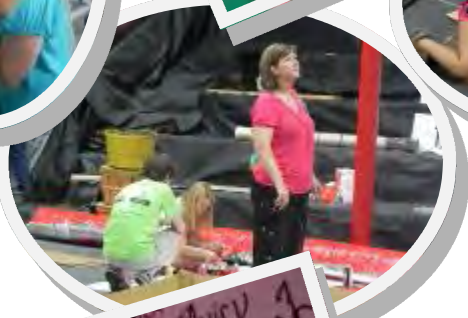

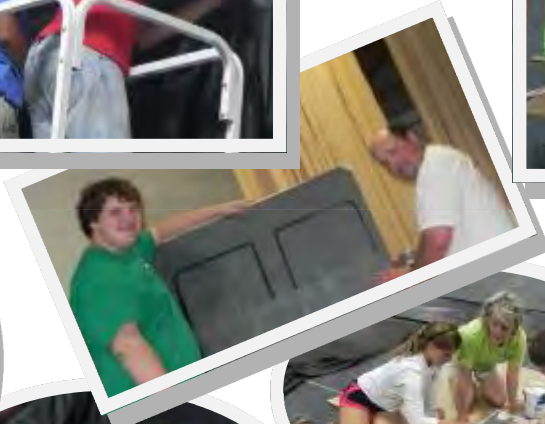

Brandy McKenzie wonders just how long she can hold her breath as she and her lab partners, Katelyn Godwin and Taylor Hall prepare to dissect their pig.

Field Day 2012

Thanks to Mrs. Candace Bradley and Mrs. Jessica Morris for a wonderful Field Day! Also, thanks to all the student helpers and to the PTO for making this day so much fun for our lower school students.

Juniors Transform WA Gym Into New York City (With a LITTLE Help from Their Parents)

William Cooper and Jodi Thompson were named prom King and Queen 2012.
