The SEC "Prize Patrol" visits WA

Congratulations to Mrs. Missie McCutchen, Mrs. Katie Floyd, and Mrs. Sarah Thompson. These teachers were awarded Santee Electric Bright Idea Grants. Each teacher received \$1000 to purchase technology for their classrooms. Mrs. Missie McCutchen will be receiving a set of I-Pods for her classroom, Mrs. Katie Floyd will be utilizing two new I-Pads and Mrs. Sarah Thompson's grant includes an interactive white board to enhance her music instruction. WA is so proud of these award winning teachers!

WA Students Make A Difference

During the first semester of the 2012-2013 school year, many Williamsburg Academy students joined together to make a difference in their community and surrounding areas. Over Thanksgiving, the Student Council Organized a can food drive and collected thousands of cans for needy individuals. This same group set up an Angel Tree and collected Christmas Gifts for several needy families in our community. The National Honor Society led the Operation Christmas Child Campaign at Williamsburg Academy and collected shoeboxes full of gifts to be sent all over the world. Another ongoing project that WA students take part in is collecting pop tops for the Ronald McDonald Children's Home. They recently sent over 50 gallons of Pop Tops to help with this worthy cause. Just before Christmas the Junior and Senior Classes of WA collected clothing, furniture and toys for the Freewill Baptist Children's Home in Turbeville. Williamsburg Academy students are excited about the opportunity to make a difference in their community.

WA Students Honor Our Veterans

WA students of all ages took part in a program to honor our Nation's Veterans on November 8th. Our 3K and 4K classes recited a poem, our lower school preformed several patriotic songs and the senior drama class lead the program with the presentation of flags and oral recitations. The program ended with a patriotic dance by the Supreme Team of Dancing on Main. After the program, students and guests enjoyed a picnic lunch.
