B- Team Softball

By Coach Diane Baylor

It was my pleasure to coach the Williamsburg Academy B -Team girls this past year. We were a young team with a lot of heart. They worked well as a team and strived to be their best on and off the field. Our team had two dedicated pitchers , Madison Lamb and Kendall McKenzie. They proved to be universal players and did an awesome job. Our catcher, Madi Wadford, was another key player that helped manage the game with her quick arm and skills to stop the base runners dead in their tracks. First base was owned by Hannah Morris who did a great job and had many power hits during the season. Allie Brown's quickness made her a threat as a base runner. Brooke and Amber Locklear were definitely our heavy hitters. Katie Ward and Lizzie Williamson were able to provide good leadership on second base. Nicole McDonald, Kirsten Richardson and Kelsey Allen played in the outfield . They were able to make key plays at just the right time. It was exciting to watch this group of young players work hard as a team and they were each proud to be a Lady Stallion. A big thanks to Mac Wadford. I could not have done it without your leadership. I look forward to the 2014 season.

Baseball Camp

Our youngest Stallions are getting an early start on their baseball careers. Athletic Director Ken Kellahan and his staff, as well as some of our student athletes, are having fun helping these boys improve their baseball skills and techniques.
