Attach a complete copy of most recent tax return (both parties if filed separately).

I certify the above and attached information to be true, correct, and complete.

Signature

Date

Please return to the Director of Development no later than April 29, 2024.

Williamsburg Academy Development Foundation Guidelines for Financial Aid

Limited financial assistance is available to students. The following guidelines have been established for applicants. The scholarship is awarded to a specific child, not a family.

Level of Need

Income of parents or guardians will be considered. Extra consideration may be given to families with more than one child enrolled. *All current tax returns must be turned in with the application by April 29.*

Academic Standing

Students must have a current 80 average overall to be eligible and must maintain an 80 average overall during the scholarship year. Currently enrolled students with honor roll status will be given priority.

Discipline/Conduct

Students must have no suspensions of any kind during the previous school year or during the scholarship year.

Students must have no unsatisfactory conduct grades on report card during the previous year or during the scholarship year.

The student must exhibit good citizenship and attitude towards Williamsburg Academy.

Party/parties responsible for tuition must maintain good financial standing with Williamsburg Academy for all fees owed during the scholarship year.

The scholarship can be revoked should any changes occur in any of these areas. The application must be completed annually. Participation in this program is considered a confidential matter.

I have read the rules governing selection of scholarship recipients and understand them fully.
