**March 18<sup>th</sup> is an open Enrollment fee of \$200 per student; this

It is very important to enroll early. During this time we are calculating the number of students per grade /class room and extending contracts to teachers. Having a better mind set of how many students we will have enrolled helps the Head of School to determine the need for new teachers in the upcoming school year. Late enrolled children are not guaranteed classroom placement and/or classroom curriculum material.
