

Early Re-enrollment fee of \$100 per student is Feb. 17th- March 17th; this is for existing students only.

March 18th is an open Enrollment fee of \$200 per student; this includes new and existing students.

It is very important to enroll early. During this time we are calculating the number of students per grade /class room and extending contracts to teachers. Having a better mind set of how many students we will have enrolled helps the Head of School to determine the need for new teachers in the upcoming school year. Late enrolled children are not guaranteed classroom placement and/or classroom curriculum material.

Your tuition payments are due on the 1st of each month and late after the 10th. Facts will post the late fees at the end of the month or the first of the next. Please check your incidentals in Facts for late fees. Keep this in mind when you are selecting your date choices for payments. We will be putting all accounts on a 10-month payment plan (August-May) however, you can make a yearly payment in August and semi-annual payment in August and January.

WA Yearly Bus Fee will be paid by All students:

A yearly bus fee of \$100 will be charged in August for each student. This will include a WA t-shirt for all students, a free student pass to all home sporting events (not playoffs), special activity events transportation, field trip transportation and sporting events transportation. This eliminates travel fees for SCISA events, field trips and sports participation fees. It also helps with maintenance and up keep of our buses.

Andrews Bus:

Each student riding the Andrews bus will be charged the \$100 yearly bus fee in August. Each student riding the Andrews bus will now be charged a flat rate of \$25 a month per student, regardless of the days they ride. Andrews bus fees will be charged August – April at \$25 per student, per month. There will not be a bus fee charged for any bus rider for the month of May.
